SAINT XAVIER HIGH SCHOOL  
2008 Annual Report

MISSION:

# Saint Xavier,

a Catholic secondary school sponsored by the Xaverian Brothers since 1864, seeks to provide an unparalleled range of academic, spiritual, athletic, and extracurricular programs in a college preparatory environment.

**Dear Alumni, Parents and Friends:**

Many thanks for your extraordinary support over the past year. This Annual Report is Saint Xavier High School's statement of accountability for gifts received during the fiscal year that ended on June 30, 2008. It also provides a glimpse, through commentary and photos, of student and faculty experiences of the life and mission of St. X. Take a look at our progress in campus development and at the vitality seen in the faces of those who form Saint Xavier's exceptional learning community.

Your involvement and that of Saint Xavier's many friends and benefactors generated over \$4.35

million in charitable gifts during the fiscal year. In addition, the Project X Campaign now stands at \$25.4 million in gifts and pledges, allowing the dream for expanded facilities, new teaching resources and increased tuition assistance to take shape. Most significantly, generous support subsidized every student's education and provided over \$1.4 million in direct tuition assistance for some 300 students.

I hope that you will continue to have pride in our accomplishments, that our students and staff will recognize the opportunities they enjoy each day and that St. X's response to current students will be faithful to the mission and legacy of the Xaverian Brothers who

began this work 144 years ago. Much work lies ahead for which your support and prayers are vital.

Thanks, again, for investing in a vision that challenges St. X to continue to develop into one of the best Catholic high schools in America. Join us anytime during the school day to see our progress in action.

In Christ,

Saint Xavier believes that the Gospel ideal of love of God and love of neighbor is the basis of human society, which is why our mission provides for the spiritual, intellectual, aesthetic, physical, emotional and social growth of our students. As an academic institution, we obviously place a tremendous emphasis on ensuring that we offer the highest caliber of teachers and educational programs.

Our program of studies has been created to challenge the intellectual ability of our students, provide for individual learning styles, promote educational development through creative use of one's talents, enhance critical thinking skills and encourage a commitment to community service.

We are continually exploring new and innovative ways to further improve the educational experience, which is why such a significant portion of our capital campaign -- Project X -- has been devoted to this cause. We are proud to report that we have upgraded all 75 teaching stations with SMART® technology to offer teachers the latest multi-media tools with which they can make their classes even more engaging and interactive for students.

Saint Xavier has always placed a high priority on making sure we attract the areas best students who want a Catholic education regardless of their families' income, which is why funds raised from Project X also support our tuition assistance program.

*"The environment is great – I feel I have many opportunities to prove myself here. St. X teaches me how hard I have to work for success and how hard I have to work to become a man."*

Our school motto, Numen Lumen, challenges all members of the school community to experience life as a journey with God as our light. Supported by our beliefs and empowered by the Spirit, Saint Xavier recognizes the dynamics of a new era and acknowledges the primary importance of exposing students to the Catholic faith expressed in message, community, service and worship.

Our Campus Ministry program is essential to upholding this aspect of our mission. Our team of four campus ministers works with students, faculty and volunteers to facilitate a comprehensive program of spiritual formation, worship experiences and service opportunities for the entire community.

Saint Xavier offers students a host of retreats, theology seminars and community service projects. A few notable offerings include "X-Men Freshman Adventure Day" where students learn the five core values of the Xaverian charism. "Our Story in the Wilderness" is a new three-day retreat that offers seniors the experience of connecting with God through nature. Our Service Requirement ensures that all juniors complete at least 20 hours of community service. "In God's Name" is dedicated to develop the spirituality of our student athletes through prayer, worship and service.

Our Ryken Service Club is one of our more fundamental offerings, as it allows students, faculty, parents and friends to volunteer for Dare to Care,

Habitat for Humanity, Project Warm and other local charities that provide vital services to our community.

These are just a few of the many ways that Saint Xavier encourages the expression of faith, promotes acceptance of cultural differences, and cultivates responsible stewardship of our world's resources.

*"The true community and the fact that I learn things that apply outside the classroom really has made this school influential in my life, especially through the Junior (Christian Awakening) Retreat."*

Whether a young athlete is inclined to dribble, dive, pass, serve, kick, sprint or swing, Saint Xavier offers the most comprehensive athletic programs and the best sports facilities in the entire region, if not the entire country.

The Project X campaign has contributed to many of the most recent and exciting upgrades to our athletic venues, including a new tennis center, new baseball park, and a new stadium that serves our football, track and field, soccer and lacrosse teams.

Construction is already underway on our new Sports Activities Center. This 26,000 square-foot

facility is a \$4 million investment that, when completed, will provide even more options to our students who wish to compete in intramural and interscholastic basketball and volleyball. This new facility will also house a new campus store, concession area and athletic offices.

As our mission provides for the physical development of our students, the variety and quality of our athletic programs ensures we can offer these opportunities to each and every student on all skill levels. These programs also instill the core values of leadership and team skills in athletic venues that are second to none in our city.

*"Football is great, but the coaches emphasize the whole picture – academics first, being on the team, and winning are icing on the cake."*

Charitable support contributed to Saint Xavier may be unrestricted or restricted. The unrestricted portion of the school's advancement efforts is normally directed toward student financial aid. Gifts which have been restricted by the donor are used for the purposes specified by the donor. During the 2007-2008 fiscal year, we had gifts to each initiative of the Project X Campaign, Initiative I - Annual Fund - Student Aid, Initiative II - Endowment for Faculty Compensation and Student Aid, Initiative III - Campus Renovations and Initiative IV - Campus Master Plan and Athletic Venues. These monies are being used for the purposes designated by the donor.

During the 2007-2008 fiscal year, Saint Xavier remained within the parameters of the budget and finished the fiscal year securely in the black.

### CHARITABLE GIVING

Through the generosity of alumni, parents and friends, St. X is able to provide a quality Catholic education in the Xaverian Brothers tradition to numerous young men each year. There are many ways to make a gift to St. X. Whichever way you choose, please know that your gift is greatly appreciated and every penny you give directly impacts the educational experience provided by Saint Xavier High School.

### GIFTS FOR CURRENT PROGRAMS

Types

- A **Gift of Cash**, most often in the form of a personal check payable to Saint Xavier.
- A **Gift of Stock** may be transferred to Saint Xavier, avoiding any capital gains tax.
- A **Gift of Property** real or personal, a property gift has become a popular way to create an Endowment Fund.
- A **Matching Gift** from a corporation. Several hundred U.S. companies participate in this program.

**Acceptance** - On occasion, Saint Xavier is presented with a unique gift opportunity that requires the institution to formally accept a gift before it is actually made to the school. For that reason, Saint Xavier reserves the right to formally review any gift, regardless of its asset form, before it is received.

### GIFTS PLANNED FOR THE FUTURE

**Bequests:** This is a gift made by a provision in one's will naming Saint Xavier High School, Inc. as beneficiary. It can reduce estate taxes.

**Charitable Gift Annuity:** This gift allows the donor to receive benefits for his/her lifetime and to qualify for a charitable tax deduction. This form of support is attractive when one has highly appreciated assets. Saint Xavier requires a minimum gift of \$5,000 to establish this gift.

**Charitable Remainder Trust:** This form of support transfers assets to a trustee, who in turn manages the trust and pays an income back to the donor for life or for a specific time. When the trust terminates, the remainder passes to Saint Xavier. A Unitrust has a fixed percentage of actual trust value. An Annuity Trust pays a fixed percentage on the initial principal value. Benefits for either include an income tax deduction, the avoidance of capital gains tax (when appreciated securities are used), as well as an estate tax reduction. Saint Xavier requires a minimum gift of \$50,000 to establish this gift.

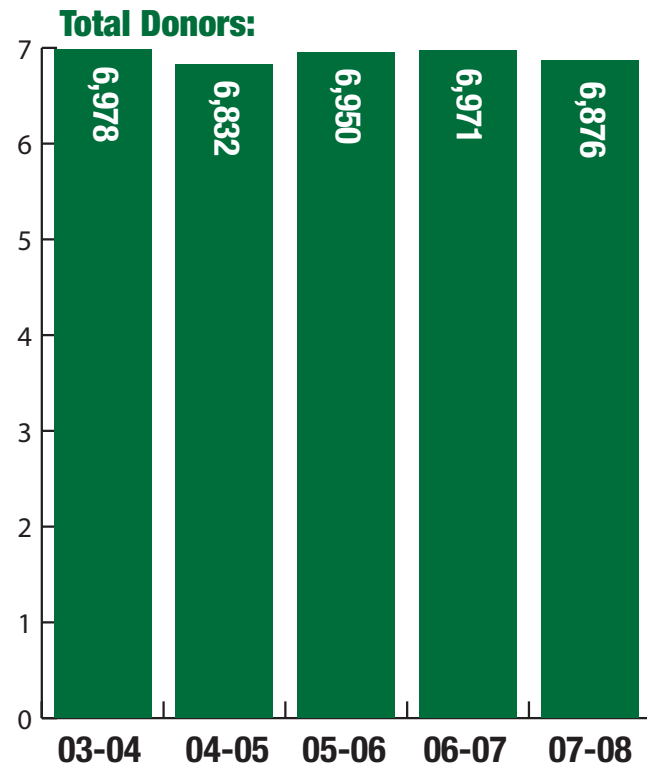

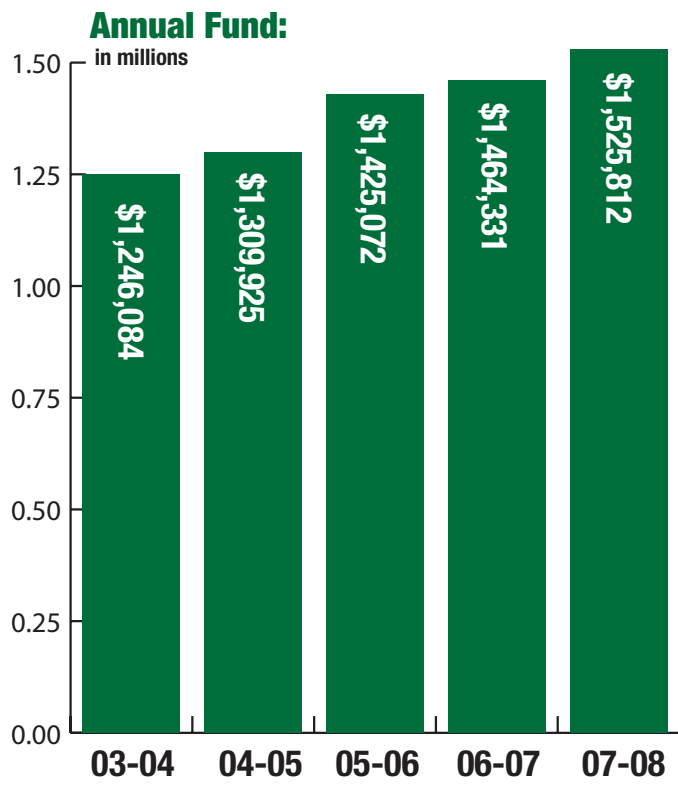

**Life Insurance:** If Saint Xavier is named as the owner and beneficiary of a life insurance policy, the policy premiums become eligible as a tax-deductible gift.

## Saint Xavier High School - Endowment Program

The Saint Xavier High School Endowment Program has seen significant growth since its beginning in the early 1980's. In recent years, the school's Xaverian Legacy Campaign did a great deal to increase endowment gifts, raising over \$5 million and formalizing the endowment program. Today, thanks to the school's Project X Campaign, over 170 named endowments or funds within the Brother Benjamin Burke, C.F.X. Endowment have been established for the benefit of St. X students and faculty. The most significant benefit to St. X is the fulfillment of a long-term objective to permanently endow tuition grants for the neediest students in the school community.

### The Brother Paul Van Gerwen, C.F.X. Founders

**Brother Paul Van Gerwen, C.F.X.** was the founder and first principal of Saint Xavier High School. These generous benefactors have embraced Brother Paul's early vision of establishing a school that would continually meet the Catholic educational needs of the young men in our community. Through a cumulative gift of at least \$100,000 for endowment, the Founders assist in securing the school's financial future. Each Founder is recognized as a member in one of three giving levels:

**Level I: Brother Thomas More Page, C.F.X.** Donors at the Brother Thomas More level are honored for commitment to St. X similar to Brother Thomas More's. As the school's 16th principal (1953-1960), Thomas More was instrumental in the relocation of the Brother's residence and school grounds to the current campus located on Poplar Level Road. In addition, he served as athletic director and had a significant impact on the development of Saint Xavier's nationally ranked athletic program. Benefactors at this level are recognized for cumulative gifts to the endowment of \$1,000,000 or more. These gifts support student financial aid or endow faculty department chair positions.

**Level II: Brother James Philip Garrity, C.F.X.** Donors at the Brother James Garrity level are recognized for their commitment to St. X similar to that of Brother James. As the 5th principal at St. X (1888-1917), he became known for creating the academic rigor that we now revere as a hallmark of a St. X education and for developing a higher education degree program. Benefactors at this level are recognized for cumulative gifts to the endowment of \$250,000 or more. These gifts support student financial aid or endow Faculty Fellow positions.

**Level III: Brother Paul Van Gerwen, C.F.X.** This original giving level was established in 2001 to recognize cumulative gifts to the endowment of \$100,000 or more. These gifts, made in the spirit of the St. X founder, support student financial aid or other areas as specified by the donor.

Founders will have a separate "Named" Endowment Fund. The fund can be restricted for a specific purpose or dedicated for use where there is the greatest need. The fund will be named as directed by the donor and can be established in honor or in memory of a family member, a Xaverian Brother or other significant individual in the donor's life. Donors will receive yearly fund status reports. Recognition includes acknowledgement in the appropriate Founders section of the Saint Xavier annual report and the fund name will be permanently displayed on the Founders Endowment Wall in the lobby of the Driscoll Center on the St. X campus.

### Saint Xavier High School - Named Endowments

Benefactors who contribute a cumulative amount of \$50,000 or more will establish a "Named" Endowment Fund. The fund can be restricted for a specific purpose or can be designated for use where there is the greatest need. The fund will be named as directed by the donor and can be in honor or in memory of a family member, etc. The endowment donor will receive yearly fund status reports. Recognition includes an acknowledgement in each Saint Xavier annual report and the fund name displayed on the endowment wall in the lobby of the Driscoll Center on the St. X campus.

### The Brother Benjamin Burke, C.F.X. Endowment

Benefactors who make a cumulative gift of \$10,000 or more qualify for a fund within The Brother Benjamin Burke, C.F.X. Endowment. This fund was established in 1986 to seek funding for increased availability of need-based tuition grants. Today, over 60 benefactors have a fund with each awarding a tuition grant yearly. The endowment donor will receive yearly fund status reports. Recognition includes the fund name printed in the Saint Xavier annual report and the fund name listed on the endowment wall in the lobby of the Driscoll Center on the St. X campus.

### Saint Xavier High School - Restricted Endowment Donors

Benefactors who make a cumulative gift of \$10,000 or more qualify for a restricted fund within The Saint Xavier Endowment to support their purpose of choice. Current funds include a teacher project award and a student interest award. The endowment donor will receive yearly fund status reports. Recognition includes the fund name printed in the Saint Xavier annual report and the fund name listed on the endowment wall in the lobby of the Driscoll Center on the St. X campus.

### Endowment Management and Spending Policies

Currently, the Saint Xavier Endowment is guided by a written Endowment Agreement with each named endowment donor. Endowment gifts may take the form of cash, appreciated securities, or real or personal property. Funding an endowment may take the form of a one-time gift or a benefactor may take up to five years to fully fund their endowment pledge. The annual earnings on the principle of each endowment fund, up to 5%, will be designated for the endowment purpose each year. The earnings percent is a policy set by the Saint Xavier Board of Directors and is established annually. Excess earnings will be held along with the principle, allowing for continued growth in the fund. An annual update on each endowment fund's performance will be provided to all endowment donors.

To find out more about creating a new endowment fund or to create a fund within the Brother Benjamin Burke, C.F.X. Endowment, call the Office of Advancement at (502) 637-8485.

Charron, a student of English literature and voracious reader who instilled the same interests in his son, and to Brother DePaul, C.F.X.(Edwin Xavier Travers), his English teacher, whose caring manner mentored and challenged him at Saint Xavier. This tribute to these two important men in Paul's life will serve as a reminder of the significant impact that parents and teachers have on the young men of Saint Xavier.

## The 2007-2008 Honor Roll

Saint Xavier is proud to present the detailed information pertaining to charitable gifts for the 2008 Fiscal Year. The following pages will recognize benefactors making gifts to any area from July 1, 2007 - June 30, 2008. The Office of Advancement has made every effort to report this information as accurately as possible. Gifts will be presented by constituency and level for all benefactors i.e. Alumni, Parents, Parents of Alumni, Faculty, Staff, Friends, Corporations and Foundations. Special recognition has also been provided for all benefactors enrolled in the Theodore J. Ryken 1864 Society for Planned Gifts.

\* = Society Founder † = Deceased X = Endowment Donor

### The Levels of Giving for Current Gifts

**The St. Francis Xavier Society** - This Society enrolls committed individuals who, in the spirit of St. Francis Xavier, dedicate themselves to the betterment of life by endorsing an educational process that integrates the rigors of academic excellence with the light and guidance of Divine faith. As a Xaverian Brothers Sponsored School, we realize that today's young people are precious sources of goodness and that Society members support the philosophy, values and experiences that a Catholic education at Saint Xavier provides. The Society has been established as an organization that requires an annual gift of \$1,000. Traditionally, these gifts are used to fund Saint Xavier's need-based financial assistance program which pairs members with these needy students. The Society has also assisted many other program enhancements since being founded in 1986.

The Society recognizes benefactors at three distinct levels of support as follows:

**Trustees of the Founding Brothers' Spirit** - Annual gifts at the level of \$5,000 or more embody the spirit of the Xaverian Brothers who founded Saint Xavier's Institute in 1864. In the United States for only ten years, the Brothers trusted God's providence. "Omnia cum Deo, nihil sine Eo" (all with God, nothing without Him) guided the Brothers through the starkness of their material poverty. Their zeal to provide Catholic education to immigrant German and Irish children inspired them to overcome obstacles and to persevere.

**Stewards of the Xaverian Educational Charism** - Annual gifts at the level of \$2,500 - \$4,999 help realize and keep vibrant the special spirit of the Xaverian Brothers to reach out, educate and form young men in the Catholic faith regardless of economic means. Each member particularly sponsors a Xaverian education experience for a deserving student.

**President's Circle** - A minimum gift of \$1,000 entitles the donor to the spiritual benefits and perquisites of the Society. Annually repeated gifts at this level allow Saint Xavier to realize its mission as a Xaverian Brothers Sponsored School.

**The Directors' Society** - The success of any academic institution depends upon the dedicated efforts of its Board of Directors. Certain contributors to Saint Xavier have indicated a similar commitment by making annual gifts of \$500 - \$999.

**The Principal's Society** - One of the most important positions in any school is that of the principal. From the principal flows a sense of leadership, stability and direction. Membership in the Principal's Society indicates that one has made a leadership commitment to Saint Xavier at the level of \$200 - \$499.

**The Green & Gold Society** - As the school colors indicate permanence and stability, so does the Green and Gold Society. The loyal supporters who provide the stability are those individuals who have shown outstanding support by donating \$100 - \$199 annually.

**The Tiger Society** - The tiger is a symbol of strength and spirit. The Tiger Society was established to recognize the support of those who provide strength to our program. To qualify for recognition, a donor contributes \$10 - \$99 annually.

### Recognition for Gifts Planned for the Future

**The Theodore James Ryken 1864 Society** - The Ryken Society exists to preserve the kind of Catholic education that Theodore James Ryken, the founder of the Xaverian Brothers, cared so much about - an academic environment where mind, spirit and body are nurtured. There are several ways to become a member of the Ryken Society. One is to make a provision in your will naming Saint Xavier High School, Inc. as a beneficiary. Also, making a "life income" gift through a Charitable Gift Annuity or Charitable Remainder Trust qualifies for membership. Finally, naming Saint Xavier as owner and beneficiary of a life insurance policy will also qualify.
